

Four Martin Attorneys Named to 2015 'Best Lawyers in America®' List

Martin Law is pleased to announce that four lawyers have been named to the 2015 Edition of *Best Lawyers*, the oldest and most respected peer-review publication in the legal profession.

Best Lawyers has published their list for over three decades, earning the respect of the profession, the media, and the public as the most reliable, unbiased source of legal referrals. Its first international list was published in 2006 and since then has grown to provide lists in over 65 countries.

"*Best Lawyers* is the most effective tool in identifying critical legal expertise," said President and Co-Founder Steven Naifeh. "Inclusion on this list shows that an attorney is respected by his or her peers for professional success."

Lawyers on the *Best Lawyers in America* list are divided by geographic region and practice areas. They are reviewed by their peers on the basis of professional expertise, and undergo an authentication process to make sure they are in current practice and in good standing.

We congratulate the four lawyers from Martin Law who were listed in *The Best Lawyers in America* 2015 for Workers' Compensation – Claimants:

George Martin, listed since 1995-96

Matthew Wilson, listed since 2010

Alfred Carlson, listed since 2013

John Dogum, listed since 2013

About Martin Law

At Martin Law, we practice something that you won't find at most other law firms: compassion. We care about what happens to each and every one of our clients, and we fight for them. In fact, we don't even charge you unless we obtain financial benefits on your behalf. We're also one of the few law firms in Pennsylvania that restricts its practice solely to representing injured workers and disabled people in workers' compensation and Social Security Disability cases.

Our trial lawyers have handled cases ranging from spinal injuries to repetitive trauma injuries to fatal claim petitions. And we know our territory well – our attorneys have appeared and tried cases before nearly all of the judges in eastern Pennsylvania. When you sign on with us, you'll reap the benefits of working with an exceptional team. Each one of our litigating attorneys has a full staff support team that ensures quality service and results. In addition, we have the most sophisticated technology, which, in combination with extensive human resources, enables our attorneys and staff members to immediately address any questions or concerns you may have.
