

When will I get paid for my workers' comp claim?

“How long does it take to get my workers' comp payment?”

Questions about the details and timing of the workers' comp process are extremely popular – and for a good reason! If you've been hurt at work, you want to know exactly **what to expect from the process** and, more importantly, **when you are likely to get benefits**.

Because these benefits will help you pay for your medical bills and other expenses you incur while you recover, it makes perfect sense to want honest, straightforward answers about when you should expect them and what you have to do to obtain them.

In the videos below, George Martin addresses two of the questions regarding the workers' comp process that our clients most often ask us:

When will I get paid?

Does the Judge make a decision at the workers' comp hearing?

For more answers to frequently asked workers' comp questions, view our FAQ video series. If you still have questions, or if your question is not addressed by the videos and you still need answers, please contact us to set up a free meeting with one of our attorneys.
