

# Workers' Compensation Practice & Procedure 2016

Martin Law has built a long-standing reputation by helping thousands of injured Pennsylvania workers receive the compensation they deserve. The firm represents a combined level of knowledge and experience unparalleled in workers' compensation law.

For more than 10 years, Matthew L. Wilson has co-authored editions of Pennsylvania Workers' Compensation Practice and Procedure, the touchstone manual used by hundreds of lawyers and judges statewide. He has also played an integral role in planning and presenting the corresponding flagship course focusing on education, recent developments and key issues in Workers' Compensation law.
