

3/20/14 – Martin Law Attorneys Named The Best Lawyers in America.

March 20, 2014

(Philadelphia, PA) – Four attorneys from the Workers' Compensation law firm of Martin Law have been named to the 2013 edition of "[The Best Lawyers in America](#)."

The inclusion of [Alfred J. Carlson](#), [John P. Dogum](#), [George Martin](#) and [Matthew L. Wilson](#) in the 19th edition of Best Lawyers make Martin Law the most represented Philadelphia Workers' Compensation claimant firm in the directory.

The directory represents the result of national peer-review surveys in which tens of thousands of leading lawyers confidentially evaluate their professional peers. Attorneys must maintain those votes in subsequent polls to remain on the list for each annual edition, and lawyers are not permitted to pay any fee to participate in or be included on the Best lists.

Additionally, George Martin, who was first listed as a Best Lawyer in America in 1995, was given the prestigious designation of "Lawyer of the Year" for Workers' Compensation. Only a single lawyer in each practice area and designated metropolitan area is honored as such, making this accolade particularly significant.

Founded by Martin in 1979, Martin Law is one of the few firms in Pennsylvania that restricts its practice to workers' compensation, is one of the largest firms in the state that only represents injured workers, and takes great pride in its very diverse staff of attorneys and administrative professionals.
