INTRODUCING THE GM TEAM!

(GEORGE MARTIN)

At Martin Law we've employed a "team" approach for more than 20 years now. Each of our attorneys has a team of three; a secretary, assistant and paralegal. **This is for your benefit.** Our attorneys often spend half or more of the day in court and are simply not reachable. That's why we have these experienced team members here to answer your questions in a timely manner. And if the team doesn't have an answer they will be able to get it from the attorney and get back to you.

So meet your new legal team...

secretary
APRIL BUSCIO

April has been with the firm since 2005. She serves on Mr. Martin's team as the secretary and assists him with the representation of injured workers. She handles all of the team's initial phone calls as well as the receipt of all mail and documents and scheduling. April enjoys pilates, dancing, skiing, snowboarding and reading.

paralegal
NOREEN ULMER

Noreen has been with the firm since 1984 and is the paralegal on Mr. Martin's team. She prepares files for hearings, settlements and mediations and also handles incoming calls from clients, attorneys, adjusters and judges. Noreen is married with two sons who play football; therefore, her main hobby is watching their football games.

assistant
YACHEIKA RIVERA

Yacheika has been with the firm since 2014 and serves on Mr. Martin's team as the assistant. She arranges appointments for clients, schedules depositions, confirms all appointments arranged by the team, and deals with any issues regarding medical bills. In her free time, Yacheika loves to spend time with her family and is constantly looking for new things to learn.
