INTRODUCING THE JCH TEAM!

(JOSEPH C. HUTTEMANN)

At Martin Law we've employed a "team" approach for more than 20 years now. Each of our attorneys has a team of three; a secretary, assistant and paralegal. **This is for your benefit.** Our attorneys often spend half or more of the day in court and are simply not reachable. That's why we have these experienced team members here to answer your questions in a timely manner. And if the team doesn't have an answer they will be able to get it from the attorney and get back to you.

So meet your new legal team...

secretary
